OFFICE ORDERS **Training and Placement Cell**

Training and Placement Cell is an integral part of the institute. Our institute has provided good infrastructure and other facilities for effective functioning of the T&P Cell. The Training and Placement Cell functions under the supervision of a full time placements officer. T&P Cell operates all around the year to arrange campus interviews by the companies. The Training and Placement Cell of our college functions with the main objective of shaping the engineering as well as Pharmacy students to be readily deployable into industry. Placement Officer plays a crucial role in counseling and guiding the students for their successful placements.

The Training and Placement Cell enhances the creative strength in technical and analytical professionals to achieve empowerment of society. The cell inculcates technical and professional competencies along with determination, imagination, hope, faith and passion for the profession. The Placement Cell endeavors to become a link between the job seekers [i.e. students] and job providers [i.e. companies/corporate] by building up their capacity and networking with Industries.

The main objective of our placement cell is to make our students entrepreneurs before finishing their course. Building a strong network among the corporate & institute for placements. Become the preferred choice of Employers with reference to Campus Recruitments. The cell is providing company specific training in technical and aptitude. It also provides equal employment opportunities for all the students. The cell ensures sustainable employment for all our students. The deserving candidates can have the opportunity to start their career with their preferred company. Our whole team works according to the defined processes to achieve the common objective.

The Training and Placement Cell in consultation with an expert counseling team provides knowledge to our students on career point of view. The Training and Placement staff coordinators coordinate the placement activities. The cell consists of expert aptitude trainers. The cell consists of soft skill and communication skill trainers with highly talented experts to conduct mock interviews, group discussion and other personality development activities. IIC (Industry Institute Interaction Cell) is also constituted for arranging industrial visit, in plant training and expert talk by renowned industrialist.
