

**GLOBAL RESEARCH INSTITUTE
OF MANAGEMENT &
TECHNOLOGY**

INTERNATIONAL CONFERENCE

ON

EMERGING TRENDS IN ENGINEERING,
MANAGEMENT & APPLIED SCIENCES - 2026

THEME

**Next Gen Intelligence:
AI across disciplines**

11th April, 2026

Organized By:

Global Research Institute of Management & Technology

Jathlana Road, Radaur, Yamunanagar, Haryana

GLOBAL RESEARCH GROUP OF INSTITUTIONS

Global Research Group of Institutions (GRGI) is a leading campus in North India and has become a symbol of quality education in engineering, Pharmacy and other technical professional courses to meet the increasing needs of the new millennium.

Global Research Institute of Management and Technology was established in year 2008 with the approval of AICTE, New Delhi; affiliated by Kurukshetra University, Kurukshetra, Haryana State Board of Technical Education (HSBTE), Panchkula, Haryana.

Global Research Institute of Pharmacy has been established in 2017, which is approved by Pharmacy Council of India (PCI) u/s 12; affiliated by Pt. B.D. Sharma University of Health Sciences, Rohtak (Haryana) and Haryana State Board of Technical Education, (HSBTE), Panchkula Haryana.

GLOBAL RESEARCH INSTITUTE OF MANAGEMENT & TECHNOLOGY (GRIMT)

Global Research Institute of Management & Technology (GRIMT) has been established to impart high quality technical, management and paramedical sciences education among the vast youth talents, with a special emphasis on overall development.

GRIMT nurtures innovation, research, and practical skills to prepare students for global challenges. The institute emphasizes ethical values, industry collaboration, and holistic development. GRIMT strives to produce competent professionals who contribute meaningfully to society and nation-building.

VISION

To impart quality education and achieve professional excellence with perfection, ethics and human values through relentless collective efforts, thus transforming the youth talents into effective citizens with professional competency of global standards.

MISSION

To deliver quality technical and management education that develops globally competent professionals through ethical governance, optimal resource use, and strong industry and societal engagement.

OUR ACHIEVEMENTS

- AICTE Approved
- 3 University Gold medals
- 80+ Uni. Positions
- 50+ MoUs
- Aero Vision Drone Lab
- 20+ Award/Appreciations
- 80% Placement
- 100+ Article/Chapters

Govt. Approved Local Chapter (NPTEL) & Clubs (BIS Standard Club & Rotaract Club)

GRGI ACADEMIC COURSES:

M. Tech | B. Tech | Diploma Engg. | BBA & BCA | DMLT | B. Pharmacy | D. Pharmacy

ABOUT THE CONFERENCE

The International Conference on Emerging Trends in Engineering, Management & Applied Sciences (ICETEMAS) is a prestigious academic platform that brings together researchers, academicians, industry experts and students to discuss recent advancements and innovative practices in their respective fields. The conference aims to promote interdisciplinary research, encourage knowledge sharing and foster collaboration between academia and industry. It provides an opportunity for participants to present research papers, exchange ideas and explore emerging technologies and management strategies shaping the future. ICETEMAS also focus on addressing real-world challenges through technological innovation and applied scientific research, contributing to academic excellence and societal development.

CALL FOR ABSTRACT

Registered delegates are invited for submission of abstract for publication of full length paper based on the theme of conference and allied areas. Interested participants can submit their abstract by email at conference@grimtradaur.ac.in on or before 31st March, 2026. The abstract should not exceed 250 words. The text should be typed in MS Word and Times New Roman, font size 12 with 1.5 line space.

PAPER SUBMISSION

- Authors are invited to submit original research papers relevant to the conference themes.
- Full papers must follow the prescribed format provided by the organizing committee.
- All submissions will undergo peer review before acceptance.
- Selected papers will be published in the conference proceedings.

WHO CAN PARTICIPATE

Students, Research Scholar, Academician and Industry Sponsored Delegates

REGISTRATION FEE

Registration fees	Online	Offline
Students, Research Scholars, Academicians, Industry Delegates	300/-	500/

NEFT/BANK TRANSFER DETAILS

Global Research Institute of Management and Technology

Bank: Punjab National Bank, Model Town, Yamunanagar

Account No.: 3701002100026299 IFSC code: PUNB0370100

IMPORTANT DATES

Last Date for Abstract Submission	Last Date for Full-Paper Submission	Last Date for Registration
Mar 25, 2026	Mar 31, 2026	Apr 10, 2026

SCHEDULE

Registration:	10:00AM-10:30AM
Inaugural Session:	10:30AM -11:00 AM
First Technical Session:	11:00AM-12:00 PM
Second Technical Session:	12:00PM -1 :00 PM
Lunch Break:	1:00 PM - 2:00 PM
Poster/Model Presentation:	2:00PM - 3:30 PM
Panel Discussion:	2:00PM - 3:30 PM
Valedictory Session:	3:30PM - 4:00 PM

CONFERENCE OBJECTIVE

- To promote collaborative interdisciplinary research by integrating Artificial Intelligence with engineering, management, and applied sciences for innovative and real-world problem solving.
- The program will help the participants to fully aware of the aspects of patenting procedures and how to protect their ideas by obtaining patents.
- This event attracts professionals, researchers, policymakers, and enthusiasts from various sectors which can lead to valuable connections, collaborations, and potential career opportunities.
- The event showcases innovative technologies and projects which can inspire creativity, spark new ideas, and provide insights into emerging technologies and their applications.
- The events include award ceremonies to recognize individuals and organizations for their contributions to technology and innovation
- Participating in this event can ignite students interest in science, technology engineering and mathematics (STEM) fields and inspire them to pursue careers in these areas.

DISCUSSIONS AND INSIGHTS

- Integration of Artificial Intelligence, IoT, and Data Analytics across engineering, management, and applied sciences.
- Rise of smart cities, digital healthcare, and sustainable energy systems.
- Increasing adoption of AI-powered decision-making systems in industry and governance.
- Smart monitoring systems for environment, health, and infrastructure.
- Ethical AI frameworks ensuring data privacy and security.
- Focusing on human–AI collaboration.
- Sustainable AI solutions aligned with global development goals.

TOPICS FOR MODEL COMPETITION:

 Technology & Innovation

 Future Concepts & STEM

 Educational & Social Innovation

 Science & Health

 Environment & Sustainability

- **1st Prize INR 2500/-**
- **2nd Prize INR 1500/-**
- **3rd Prize INR 1000/-**

Interested School/College can send their teams (Max. 3 Students) confirm your participation on the given E-mail conference@grimtradaur.ac.in

Last date to enroll for the competition: **11th, April 2026**
